# PRADHAN MANTRI KISAN SAMMAN NIDHI (PM-KISAN) - GUIDELINES

1. SCHEME OVERVIEW
The Pradhan Mantri Kisan Samman Nidhi (PM-KISAN) is a Central Sector Scheme with 100% funding from the Government of India.
The scheme became operational from December 1, 2018.

2. FINANCIAL BENEFITS
Under the scheme, financial assistance of Rs. 6,000/- (Rupees Six Thousand only) per year is transferred directly into the bank accounts of eligible farmer families.
The financial benefit is disbursed in three equal four-monthly installments of Rs. 2,000/- each:
- Period 1: April to July
- Period 2: August to November
- Period 3: December to March
Payment is routed through Direct Benefit Transfer (DBT) directly into Aadhaar-linked bank accounts through the Public Financial Management System (PFMS).

3. OBJECTIVES
- To augment the income of all landholding farmer families across the country.
- To support farmers in meeting financial needs related to agricultural inputs and seasonal domestic expenses.
- To protect farmers from the clutches of informal moneylenders and ensure continuity in farming operations.

# PM-KISAN: BENEFICIARY DEFINITION AND LAND CRITERIA

4. DEFINITION OF BENEFICIARY FAMILY
A landholder farmer's family is defined as a family comprising husband, wife, and minor children who own cultivable land as per the land revenue records of the concerned State/UT.
Scope of Coverage: Following the Union Cabinet decision dated May 31, 2019, the scheme coverage was expanded to include all landholding farmer families in the country, irrespective of the size of their land holdings (removing the earlier 2-hectare ceiling for small and marginal farmers).

5. LAND OWNERSHIP RECORD AND SUCCESSION
- The ownership of land is determined solely based on the existing land revenue records maintained by the respective State or Union Territory Governments.
- In the case of transfer of land ownership via sale deed, gift deed, or partition after the scheme cut-off date, new buyers/transferees are not eligible for benefits under PM-KISAN.
- Exception: Transfer of land ownership due to inheritance / succession upon the death of a landowner is fully recognized. Successors who inherit cultivable land can register and receive PM-KISAN benefits provided they meet all other eligibility conditions.
